Important

- You must submit copies of the documents/information required according to the number porting requirements for the relevant country (country where the number is allocated). Please check the document list in the appendix of the Number Porting Service Form.
- Please note if you port number(s) which have line(s)/service(s) attached to it (them) (broadband, alarm, fax), it may cease the services along with billing from losing operator. It is customers duty to ensure you are not billed by your previous supplier for numbers/lines after the porting to NUACOM is completed.
- There is a charge for porting a number, please check the prices in the appendix.
- If you have outstanding balance with your existing provider, this may result in the port out being rejected.
- It is customer's responsibility to cancel the service with their previous provider after the porting is completed.

Authorisation

I authorise NUACOM to act on my behalf to arrange the porting of the numbers as listed above from our existing provider. I recognise that it is my responsibility to arrange cessation, or changes to, any other services supplied by our current provider if required. I confirm that I have the full authority of my company to make this instruction.
